PMT – A music Label for Trier/Germany

NT. – The music scene in Trier/Germany now has its own label: PORTABLE MUSIC TRIER (PMT), Label Code LC-15326.

PMT was founded in 2004/2005 as a working group of Jazz-Club Trier e.V. Its mission is (a) to support local and regional artists and bands producing musically and optically outstanding CDs, and (b) the marketing aspect in order to make the local scene known also outside our area.

PORTABLE is open for all musicians and bands of the genres Jazz, Blues, Rock, singer-songwriter. The label's main purpose is *not* the economic aspect but to give its artists a good start into music business. Any profit will be spent for marketing and other support of the PMT's artists.

More information and an overview over PMT's productions can be found on www.portabile.de.
